Requesting to pass formal orders to the Comptroller to pass the Pay bills of the Nandi Hill Station which includes the Establishment Costing Rs 118/- transferred from the P.W.D. to this Depte. as per para 4 of his D.O. No. 1199 dated 21.6.15 and to pass early orders on the proposals made in this Office no. 4 dated 29th Dec 1914.

D.O.No.1199.

Comptroller's Office,

Bangalore,

21st June. 1915.

Dear Mr. Krumbiegel,

Your D.O. letter No.28 of date to Mr. J.S. Chakravarti.

You seem to have understood the term "present scale" used in this office letter No.1140 dated 1st June 1915 as including the establishment transferred from Public Works Department also. But that is not what was intended by this office.

The old establishment of Rs.26/- under you has already been drawing salary from Chickaballapur Treasury. There is therefore no need to authorise it afresh. The temporary establishment, transferred from Public Works, no definite orders of Government have yet been received to enable this office to authorise payment of the same.

As however, Government have hinted at the transfer of the establishment to your control, I have this day authorised the Treasury at Chickaballapur provisionally to pay that establishment also pending receipt of formal orders of Government.

Yours sincerely,

(Sd) L. Bishtopanth Badami.

2 Letter No.2239 dated the 1st April 1905, from the Chief Engineer of Mysore to the Superintending Engineer, Eastern Circle.

-----oOo-----

With reference to this office No.374 dated the 19th January last, conveying sanction to the establishment entertained for the Government Bungalows on the Nandidroog, has the honor to inform the Superintending Engineer that the present pay of the Kotwal, in charge of the above buildings, viz., Rs.10/-is very small, and considering the responsibilities devolving on him, his pay may be raised to Rs.20/- per mensem, with effect from the first instant. He is actually in charge of the valuable articles in the Bungalow costing over Rs.7,000 or 8,000.

2. A list

of furniture, crockery, cutlery, etc., in each bungalow should be properly made out and a copy of the same should be pasted on a board and hung up in the respective bungalows for the information of intending accupants, another copy being given to the Kotwal to enable him to check these articles.

3. The Kotwal should be directed to take a receipt for the articles placed at the disposal of a new comer and see if the articles are in a sound condition when returned to him. All damages should at once be notified to the parties concerned as well as to the Executive Engineer.

4. The Kotwal should understand that he is personally responsible for the buildings and other articles in his charge and should see that no damages of any kind are done to them; but the Sub Division Officer will, of course, also see periodicall that everything is kept clean and in good order.

-----oOo-----

Has the honor to return the estimate received with the above duly approved for Rs.936/-, under the circumstances stated.
